

# LASTOCHKA

FOR SALE

A rear view of the yacht M/Y LASTOCHKA on the water. The yacht is white with a dark blue stripe along the bottom. The name 'Lastochka' is written in a cursive script on the transom. The deck is made of teak. There are two satellite domes on the upper deck. The background is a cloudy sky and blue water.

M/Y LASTOCHKA is a standout example of Italian craftsmanship, representing the first hull of the highly successful Azimut Grande 25 Metri series. Delivered in 2019 and maintained exclusively for private use, she presents in excellent condition with no charter history. Her sleek exterior lines by Stefano Righini combine sportiness with elegance, giving her a strong and timeless presence on the water, while advanced GRP and carbon fibre construction ensures both performance and efficiency.

Inside, the interiors by Achille Salvagni offer a refined and contemporary atmosphere, defined by soft tones, flowing lines, and an abundance of natural light. The main saloon feels open and inviting, seamlessly connecting to the exterior decks. Accommodation is arranged for up to 8 guests in 4 cabins, including a full-beam master suite, complemented by separate crew quarters to ensure privacy and smooth onboard service.

Outdoor living is a key highlight on board LASTOCHKA, with generous spaces designed for both relaxation and entertaining. The flybridge features a bar, dining area, and multiple lounging options, while the foredeck offers a comfortable sunbathing area. The aft cockpit provides an elegant setting for al fresco dining, and the swim platform with integrated garage accommodates a tender up to 4 metres.

Powered by twin MAN V12 engines, she reaches a top speed of 26 knots and cruises comfortably at 22 knots. Well-equipped with stabilizers, upgraded navigation systems, and a strong list of onboard features, M/Y LASTOCHKA is a turnkey opportunity for an owner seeking a stylish, high-performing yacht in impeccable condition.
