

BRABUS SHADOW 900

FOR SALE

SUN-TOP STEALTH GREEN SIGNATURE EDITION

The BRABUS Shadow 900 Sun-Top Stealth Green Signature Edition is a bold fusion of high-performance engineering and unmistakable luxury design. Powered by twin Mercury 450R racing engines delivering a total of 900 hp, this 38-foot powerhouse reaches exhilarating speeds of 60+ knots with ease. Its striking Stealth Green paintwork, matte carbon accents, and Sunrise upholstery define its distinctive aesthetic, ensuring it stands out in any marina. Cutting-edge technology at the helm includes a dual Simrad Glass Helm display, intuitive fingertip controls, and an advanced BRABUS user interface for total command on the water. Comfort is equally prioritized with 2 spacious queen-size sleeping accommodations, and optional entertainment upgrades. Confident, authentic, and uncompromising, this model is the ultimate expression of BRABUS' signature style at sea.
